SGV | Building a better working world

SGV is the largest professional services firm in the Philippines. In everything we do, we nurture leaders and enable businesses for a better Philippines. This Purpose is our aspirational reason for being that ignites positive change and inclusive growth.

Our insights and quality services help empower businesses and the economy, while simultaneously nurturing our people and strengthening our communities. Working across assurance, tax, strategy and transactions, and consulting services, SGV teams ask better questions to find new answers for the complex issues facing our world today.

SGV & Co. is a member firm of Ernst & Young Global Limited. EY refers to the global organization, and may refer to one or more, of the member firms of Ernst & Young Global Limited, each of which is a separate legal entity. Ernst & Young Global Limited, a UK company limited by guarantee, does not provide services to clients.

EY exists to build a better working world, helping to create long-term value for clients, people and society and build trust in the capital markets. Enabled by data and technology, diverse EY teams in over 150 countries provide trust through assurance and help clients grow, transform and operate.

Information about how EY collects and uses personal data and a description of the rights individuals have under data protection legislation are available via ey.com/privacy. For more information about our organization, please visit ey.com/ph.
